

Join us as a “Sponsor”

FTC 2025-2026

The
Architechs
#25795

We are The Architects, a local robotics team from Mechanicsburg, Pennsylvania — a passionate group of young innovators who have been competing in robotics for the past eight years. We are seeking your support through sponsorship to help us continue our journey in the FIRST Tech Challenge (FTC) and reach new milestones this season.

Our team’s journey began in the discovery phase of robotics, progressed through the FIRST LEGO League (FLL), and culminated in competing at the World Championship, where we stood among 246 teams from Pennsylvania and proudly earned an award at the international level. For the past two years, we have been competing in FTC, and this year, we are striving to earn multiple awards while continuing to inspire innovation, creativity, and teamwork within our community.

We won Awards in 2019, 2020, 2021, 2022, 2023, 2024, and 2025(June).

Sponsorship Levels

Platinum Sponsor – \$2000+

- Logo on robot
- Logo on team shirts
- Social media recognition
- Logo on engineering portfolio & pit display
- Invitation to team events

Gold Sponsor – \$1000+

- Logo on pit display
- Social media recognition
- Acknowledgment in team documents

Silver Sponsor – \$500+

- Social media recognition
- Listed as a supporter on our materials
- Friends of the Team – Any Amount
- Thank-you mention on social media

“We gratefully accept any amount. Truly, there’s no such thing as a small contribution”

Thank You

Thank you for considering supporting our FTC team. Your contribution plays a vital role in empowering the next generation of engineers, innovators, and leaders. We deeply appreciate your generosity and belief in our mission to inspire creativity and innovation through robotics.
